2018-00434257**NARRATIVE****Synopsis:**

On Sunday, December 9, 2018, at approximately 1515 hours, I received a request from Brevard County Sheriff's Office (BCSO) Crime Scene Unit Sergeant (Sgt.) T. Laufenberg, ID 0415, in reference to assisting with an injured/ill person investigation at the BCSO Jail Complex, 860 Camp Road, Cocoa, Brevard County, FL. I complied with this request and arrived at approximately 1600 hours. BCSO Homicide Unit Agent (Agt.) J. Straight, ID 0442, assumed lead investigative duties for this case. Crime Scene Investigator (CSI) L. Cox, ID 4112, assumed the role of lead CSI. Refer to their reports for complete details.

I photographed two scenes, items of evidence, and involved deputies.

I completed my assignment and departed the Jail Complex at approximately 1940 hours.

On December 12, 2018, I photographed an additional deputy involved in this investigation.

Submissions were made to BCSO Records Management System and Evidence Unit.

Information Provided:

Upon my arrival, I met with Agt. Straight who gave me the following case details: Mr. Gregory Edwards was brought into the jail by West Melbourne Police Department (WMPD) at approximately 1325 hours on the same date. He was initially placed in holding cell 7 during booking. When deputies attempted to remove him from cell 7 he became combative and injured BCSO Correction [REDACTED]. At this point multiple BCSO corrections deputies restrained Mr. Edwards and placed him into a restraint chair. During the incident, BCSO Corrections Deputy A. Blazewicz, ID 2080, used her department issued Taser on Mr. Edwards.

After the incident, Mr. Edwards was placed in cell 9 of the booking area. Subsequently Mr. Edwards became unresponsive. He was transported to the Jail Complex's Infirmary where he was treated by the medical personnel there. He was then transported to Rockledge Regional Medical Center.

I spoke with BCSO Corrections Deputy R. Wagner, ID 1121, who directed me to Mr. Edwards' personal belongings collected during booking.

Scene Description:

Two different scenes were documented during my investigation at the Jail Complex: The booking area, including cells 7 and 9, and the Infirmary.

The booking area consists of a large central area with multiple offices/holding cells around the central area. Holding cells 7, 8, and 9 are located on the northwest side of the booking area with cell 7 being south of cell 8 and cell 8 being south of cell 9. I observed small pieces of pink and yellow confetti and two small pieces of green plastic on the floor immediately southeast of cell 8. These confetti pieces are consistent with a Taser being discharged in this area.

I did not observe any areas of interest in the holding cells.

Later on I was directed by BCSO Homicide Unit Lieutenant (Lt.) R. Vitaliano, ID 0003, to a sharps container located on the wall of an office on the southwest side of the booking area. Two Taser prongs with attached wires were located in the sharps container. They were initially wrapped in a PPE glove. The glove was removed and discarded. The tips of the prongs had suspected blood on them.

Mr. Edwards' personal belongings included a black Seiko watch, a grey metal ring, a pair of white headphones, a pair of blue/black New Balance flip flops, a pair of camo shorts with a brown belt, a black Underarmour shirt, and a pair of plaid boxer briefs.

The Infirmary of the Jail Complex consisted of a large central area with smaller rooms around it. A hallway led from the central area to the surrounding rooms. A portion of the medical area appeared to have sectioned off. I was advised by BCSO Corrections Deputy D. Edward, ID 2150, this sectioned off area was where the medical staff worked on Mr. Edwards. Medical waste items and a small reddish brown drip stain were located in this area.

Deputy Edward also directed me to the restraint chair Mr. Edwards was previously seated in. The chair had reportedly been moved but was in one of the medical rooms upon my arrival.

The medical staff also directed me to the AED and the AED pads/package used on Mr. Edwards. These items were located in the central room of the Infirmary. Specifically the AED was on a desk near the section off area of the hallway. The used AED pads and packaging were in a trash bin near the AED.

No other areas of interest were observed within the scene.

I photographed five BCSO corrections deputies in following order:

- 1) R. Wagner
- 2) D. Edward
- 3) R. Zimmerman, ID 0943
- 4) G. Fayson Jr., ID 0385
- 5) F. Cedeno, ID 4314

I inquired with each deputy if they received any injuries or damage to their uniform/equipment.

Deputy Wagner had a cut to the webbing portion of his right hand, damage to his personal eyeglasses, and damage to the Velcro of the left front pocket of his uniform shirt.

No other injuries/damage were observed on any of the other deputies or their equipment/uniform.

Scene Photography:

I photographed the scenes including items of evidence and areas of interest. Each deputy was photographed to include their front, back, sides, and their hands. The injury to Deputy Wagner, his eyeglasses, and his uniform shirt were also photographed.

All photographs were taken using a Nikon D7200 digital camera.

CASE #

700 S. Park Avenue
Titusville FL 32780**2018-00434257****NARRATIVE**

On Sunday, December 9, 2018, at approximately 1514 hours, I received a request from Brevard County Sheriff's Office (BCSO) Crime Scene Unit (CSU) Sergeant (Sgt.) T. Laufenberg, ID 0415. Sgt. Laufenberg requested I respond to Rockledge Regional Medical Center (RRMC), 110 Longwood St., Rockledge, Brevard County, Florida, in reference to an injured/ill person investigation. I complied with this request and arrived at RRMC at approximately 1552 hours.

BCSO Homicide Unit Agent (Agt.) J. Straight, ID 0446, assumed lead investigative duties. Refer to her report for further information regarding this investigation.

BCSO Crime Scene Investigator (CSI) C. Schneider, ID 1073, responded to the Brevard County Sheriff's Office Jail, 860 Camp Rd., Cocoa, Brevard County, Florida. CSI Schneider collected items of evidence and photographed various locations in the jail as well as multiple BCSO Correctional Deputies. On Wednesday, December 12, 2018, CSI Schneider also re-photographed Correction Deputy (Dep.) A. Blazewicz, ID 2080, and her injuries. Refer to his report for more information.

The following information was provided to me: Mr. Gregory Edwards was arrested by the West Melbourne Police Department, and was transported to the BCSO jail. Mr. Edwards was placed into a holding cell. When BCSO Correctional Deputy [REDACTED], attempted to have Mr. Edwards be fingerprinted, Mr. Edwards became combative and was eventually sprayed with chemical agent. Mr. Edwards was still resisting and was Tased by Dep. Blazewicz. Mr. Edwards was handcuffed and placed into a restraint chair. Mr. Edwards was then placed into a different cell. A short time later, he was found unresponsive and brought to the medical unit while still in the restraint chair. Mr. Edwards was given CPR and Narcan by BCSO jail staff. Brevard County Fire Rescue (BCFR) responded and transported Mr. Edwards to RRMC. Correction Deputy Blazewicz and [REDACTED] were both injured while trying to restrain Mr. Edwards. It should be noted, Mr. Edwards had a history of PTSD and hallucinations.

Mr. Edwards was originally observed in Emergency Room 19. Mr. Edwards was later moved to the Intensive Care Unit Room number 502. Mr. Edwards was supine on a hospital bed. His feet and right hand were in handcuffs connected with shackles. Medical intervention equipment was in/on his right and left lower legs, his upper and lower left arm, his left wrist, the left side of his torso, the upper left and right areas of his chest, the right side of his torso, his upper right arm, and his mouth. Abrasions were on the top of his left foot, the top of his second left toe, the second knuckle on his right hand, his left arm, above the elbow, and his back. Scratches were on his left hip, on the left side of his face, below his ear, and the left side of his chest. A laceration was on his left hand. Discoloration/contusions were on his upper left thigh, near his hip, his chest, his left and right forearms, his right shoulder, his right arm, his right hand, his upper left arm, his neck, the right side of his clavicle, his right cheek, his eyes, the right and left sides of his forehead, and the left side of his face, below his ear. Several circular, raised areas, consistent with Taser probes, were on his right side and the right side of his back, near his hip. Several cuts and linear contusions/dyscoloration, consistent with resisting while being handcuffed, were around both wrists. He was also bleeding from his groin. A scar was on his left knee. His Brevard County Jail Complex issued red shirt
