Junny's Safety Tips

Hi, my name is Junny and I'm the Sheriff's bloodhound at the Brevard County Sheriff's Office. Sheriff Ivey is my bestest friend and we go everywhere together. I get to say hello to a lot of people as the Sheriff and I travel around the county. The best part is getting my ears and belly scratched... Oh, and an occasional French Fry in the drive-thru!!

Several years ago, when I was just a puppy, I was trained to find missing children. On my adventures with the Sheriff, we always tell kids to be safe, never go with a stranger even if they say they have candy or even if they say they are looking for their puppy. Never wander away from your parents or sitter and if something bad happens scream as loud as you can and run away from the danger! Every night as I'm about to go to sleep, I pray that if someone does get lost, that I will be there to find them and bring them safely back home to their family!!

Home Alone Safety

Do you stay home alone sometimes? Junny has some good safety tips you can talk over with a parent or guardian to see what works best for you and your family.

Never cook by yourself. Always ask a parent or guardian before using the stove, microwave or sharp knives.

If someone calls and asks to speak to your mom or dad...don't tell the person there not home. You could say, "They can't come to the phone right not. Can I take a message?" **NEVER** tell anyone you are home alone.

If someone knocks at your door, DON'T ANSWER IT...even if they look friendly or wear a uniform like a delivery person or cable worker.

Choose a Safe House. With your parent or guardian, ask a trusted neighbor of you can go to their home if you need help fast. This will be your **SAFE HOUSE**.

Be Alert. Be aware of your home **BEFORE** you go inside. If something outside your home doesnt look right, like an open door or broken window, **DON'T GO INSIDE!** Go to your Safe House and ask for help.
