

BREVARD COUNTY SHERIFF'S OFFICE

SAINT'S SAFETY TIPS

Hi, my name is Saint Francis, but everyone calls me Saint, and I am Sheriff Ivey's new bloodhound and partner!! I am following in the footsteps of Junny, America's Top Police Dog, and boy did he leave some big paws to fill!! Junny was the first official mascot of the Brevard County Sheriff's Office and because he was loved by so many people and brought awareness to so many important topics, I was chosen to help continue his legacy!!

Just like Junny, I am trained to help find missing children and adults. So on our adventures, Sheriff Ivey and I go to schools to share important safety information with kids just like you, to help keep you safe and know what to do if you ever get lost.

We remind you never to talk to strangers and always stay with your friends or parents. If you can, learn your address or phone number, so that you can tell it to a police officer or adult if you ever need help!! Most importantly, always listen to your parents, teachers, or adult in charge, because the rules will help keep you safe and away from harm!!

In fact, every night before I go to sleep, I pray that if anyone does get lost, that my other K9 friends or I will be there to help find them and bring them safely back home to their family!!

See You Around,

K-9 Saint

HOME ALONE SAFETY

Do you stay home alone sometimes? Saint has some good safety tips you can talk over with a parent or guardian to see what works best for you and your family.

Never cook by yourself. Always ask a parent or guardian before using the stove, microwave or sharp knives.

If someone calls and asks to speak to your mom or dad...don't tell the person there not home. You could say, "They can't come to the phone right not. Can I take a message?" **NEVER** tell anyone you are home alone.

If someone knocks at your door, DON'T ANSWER IT...even if they look friendly or wear a uniform like a delivery person or cable worker.

Choose a Safe House. With your parent or guardian, ask a trusted neighbor of you can go to their home if you need help fast. This will be your **SAFE HOUSE**.

Be Alert. Be aware of your home **BEFORE** you go inside. If something outside your home doesnt look right, like an open door or broken window, **DON'T GO INSIDE!** Go to your Safe House and ask for help.
