Community Resource Guide

Project Home is here to provide resources to help the community keep their Family together and/or help with rehoming their pets if necessary.

IMPORTANT

Please be sure to change your pets microchip information over to the new owner as soon as possible, even if you rehomed them - if their chip information is still yours - you will be recognized as the legal owner. Please do your research when rehoming your pet to ensure they are entering a safe environment.
